### PRESS RELEASE

2009/10/06

#### **New Stop Signs In Pembroke**

The Pembroke Police Service would like the community to be aware that the City of Pembroke has 3 new 4-way stop intersections within the City. Town Line Rd at MacKay St, Cecilia St at D'Youville Dr, and Bell St at Fraser St are now 4-way stop intersection. A 4-way stop intersection means that traffic coming from all four directions must stop at a stop sign before entering the intersection. Failing to stop at a stop sign is an offence under the Ontario Highway Traffic Act and any driver caught disobeying a stop sign could receive a fine of \$110.00 along with 3 demerit points on their licence. Stop signs are put in place for public safety and traffic management. If we all do our part and follow the rules of the road, we are helping to keep our roadways safe.
