

## **CITY OF PEMBROKE MEDIA RELEASE**

**FOR IMMEDIATE RELEASE – June 7, 2010**

### **Downtown Connectors Road Works Albert Street, Prince Street**

Effective Monday July 12, 2010 until approximately Friday July 16, 2010, Prince Street and Albert Street will be undergoing the process of asphalt overlay. All efforts will be made to maintain vehicular traffic, with a road closure being done only if it is absolutely necessary. During this time no on street parking will be permitted, including overnight parking starting Sunday July 11, 2010.

Pedestrian traffic along these roads will be maintained.

The City of Pembroke asks that drivers respect traffic control measures and comply with the parking limitations during this time.

You are also reminded that the businesses within the construction zone remain open for business and the many business owners would be very happy to serve you. Parking lots adjacent to these streets will remain accessible with only minor delays as required.
