

ART TREE PROJECT

www.arttreeproject.ca

The Art Tree Project is a creative initiative in which families, schools and groups can come together to each create their own Art Tree masterpiece. Each completed Art Tree will be owned by its creators and proudly displayed at your participating community's art show during Canada's 150th.

You can be a part of this innovative Arts and Culture event!

Roll up your sleeves and get creative! Until the end of June 2016, we are offering prints at half the price to groups that can show us unique themes and techniques.

Help the Ottawa Valley create dynamic tree poster samples to inspire the rest of Canada to participate!

(See example in bottom left.)

High school students from grades 9-12 can receive their volunteer hours for this project and will be able to experiment on the posters using different art techniques.

Register by email to join our free Art Tree workshops on Sundays

1:30- 4:30 on:

April, 3 and 17

May, 1, 15 and 29

Taking place at: In The Garden Studio, Burnstown ON.

Find directions to the studio at www.inthegarden.ca
