Engineering Design & Contract Administration Services for Crandall Street & Devon Street Watermain Replacements

Request for Proposal No. P-18-03

The City of Pembroke is seeking proposals from interested Proponents for the provision of Engineering Design and Contract Administration services required for the watermain replacements on Crandall Street from Pembroke Street West to Boundary Road West (approximately 275m), and the undeveloped area of Devon Street from Bronx Street to Cecil Street (approximately 200m). The anticipated construction for both projects is fall of 2018.

A complete PDF version of the Request for Proposal (RFP) document will be available on Tuesday, June 12, 2018, free of charge, through email request to purchasing@pembroke.ca.

All questions relating to this RFP will be received in writing up to and no later than 12:00 pm local time on Wednesday, June 27, 2018.

Hard copy sealed proposals, clearly marked as to contents, will be received by the undersigned until **2:00:59 pm, Local Time, Tuesday, July 3, 2018**. Electronic submissions are not acceptable. Language for proposal submission is English. There will not be a public opening.

The City reserves the right to accept or reject any or all proposals at its sole discretion. The lowest or any proposal will not necessarily be accepted.
