

City of Pembroke Media Release

For Immediate Release – May 9, 2019

The City of Pembroke has declared an emergency as of 9:02 am on May 9th, 2019. Water levels on the Ottawa River are rapidly rising with forecasts of significant rain, creating levels that will exceed the City's resources.

The City is declaring an emergency in an abundance of caution to ensure that resources are available to property owners should the need arise. Be assured that key City infrastructure is not in jeopardy.

There will be another media release to follow with further information for residents affected by flooding and for individuals and organizations looking to volunteer.
