

## City of Pembroke Media Release

For Immediate Release – May 23, 2019

The City of Pembroke's Emergency Control Group would like to advise that the City remains under a state of emergency as we actively working on coordinating recovery plans.

We would like to remind the public that the Marina and Riverside Park are closed and will remain as such until further notice. For safety reasons, we urge residents to stay away from these areas of the City. Included in this closure are sports fields at Riverside Park, which are not suitable for use at this time. The Riverside Park Campground also remains closed. Launching of boats at the Pembroke Marina is currently prohibited and the Ottawa River is closed to boating traffic by the Ontario Ministry of Transportation.

Residents should know that the City's key infrastructure continues to be secure and drinking water in the City of Pembroke remains safe to consume.

The Marina parking lot is now open and is free to use with no time restrictions. The Cockburn parking lot remains closed.
