Registration for people affected by flooding in Pembroke

If you have been affected by flooding in Pembroke, please register with the Canadian Red Cross for possible funding. For registration please go to the following website:

<https://www.redcross.ca/in-your-community/ontario/major-responses/spring-flooding-in-ontario-2019>

or call 1-800-863-6582 to have a Red Cross representative help you from Monday to Sunday 9 am to 9 pm EST.

To register, you will be asked basic information about you and your household, such as your name, date of birth, email address, and home address.

Please note: You only need to register once for your household. If you have already registered with the Red Cross and received a registration number then you do not need to register again.

During this period of flooding, the Canadian Red Cross is working closely with municipal and provincial authorities to assist people who have been affected.
