

City of Pembroke Media Release Temporary Road Closure

For Immediate Release – Thursday, May 23, 2019

Victoria Street Reconstruction

As part of the Victoria Street Reconstruction project the portion of Victoria Street between Lake Street and Pembroke Street East will be closed to all traffic until further notice.

The City of Pembroke asks that drivers respect the posted construction signage and traffic control persons at all times.

Pedestrian access will be maintained at all times. Pedestrians are asked to follow posted signage.

You are reminded that the businesses within the construction zone remain open for business and the many business owners would be happy to serve you.

To access the Market Square Parking Lot vehicles can enter from the Albert Street entrance.

We thank you for your patience as the City of Pembroke continues to improve our infrastructure.
