Parkland Dedication Policy

The City of Pembroke's Parkland Dedication Policy for the consent process is as follows:

1. If the lands are to be immediately sold, then a copy of the offer to purchase confirmed on the date before the Planning Advisory and Adjustment Committee hearing, and tabled at the hearing, would be accepted as the land value.
2. If the lands are being severed for mortgage purposes or for future sale, an appraisal of the lands based on the value the day before the hearing, made by a certified real estate appraiser, must be tabled before the Committee at the hearing.

The Planning Act states the amount to be levied is 2% for industrial and commercial purposes and 5% for residential purposes based on the value of the land the day before the consent is approved.
