

City of Pembroke Community Improvement Plan

Affordable Housing Study Grant

The Affordable Housing Study Grant promotes the development of new affordable living in Pembroke through the funding of background studies.

Eligible Costs

1. Studies to support an affordable housing development of 4 or more units in the CIP project area. Examples of studies could include hydrogeological and terrain analyses, environmental reports, architectural drawings including site plan/landscape drawings, and Business Plans

Eligibility Criteria

1. All general program requirements outlined in Sect. 6.1 apply
2. Eligible projects feature housing that is affordable to those households earning the median income in Pembroke or less per year, as defined by Stats Canada
3. Application must be in accordance with Sect. 6.12

Financial Details

A grant of 50% to a maximum of \$5,000
