

News Release

From: Ron Conroy, Manager, Parks & Recreation Department

Date: June 17, 2019

Waterfront Park now open following spring flood

Pembroke's Waterfront Park has reopened.

The public now again has access to the park, playground, boardwalk and Kiwanis Walkway following cleanup work that was required after the spring flooding.

The Parks & Recreation Department reminds residents the Marina remains closed at this time as continued work is done to get it back to safe operating conditions.
