There are five categories awarding each recipient a \$300 Bursary and a Certificate of Merit indicating the recipient and sponsor.

### **CATEGORIES**

**PERSONAL COURAGE** – A role model for others and a person who maintains high ethical standards in difficult situations. Someone who might disregard their own personal safety or comfort to help another.

**ARTS & LITERATURE** – Enriching others through creativity, skills and originality in such activities as music, dance, acting and the visual arts.

**LEADERSHIP** – Demonstrating leadership, marked determination, creativity and a degree of achievement.

**YOUNG ATHLETES** – It does not have to be the first person across the finish line or the gold medalist, rather the recipient of the award will demonstrate skills, devotion, sportsmanship and “class” under pressure.

**COMMUNITY CONTRIBUTIONS** – Improving the community through action, education and service. It may be the young advocate or volunteer that goes the distance to make the world a better place. This is also about citizenship, inspiration, diversity and leadership.
