

## News Release

---

**From: Ron Conroy, Manager, Parks & Recreation Department**

**Date: May 8, 2019**

### **Pembroke Marina and Riverside Park closed due to high water**

The City of Pembroke is informing users of the Marina and Riverside Park that due to high water levels, both spaces are closed to the public at this time.

Slips at the Marina are not available for occupancy and daily boat launching is not available. Accordingly, fuel and pump-outs are not available.

Riverside Park is closed entirely, including access to the campground, sports fields, ball diamonds, playground and beach. The Kiwanis Walkway also remains closed.

The City will continue to assess the situation and will publicly announce when these spaces are once again open to the public.
