### **Gaging interest in a Pembroke Neighbourhood Watch Program**

The City of Pembroke is facilitating a meeting to gage support for a Neighbourhood Watch Program in Pembroke.

Neighbourhood Watch is a program to help neighbours watch out for neighbours. It aims to get citizens involved in discouraging and preventing crime at the local level. The ultimate success of the program depends largely on a commitment to cooperation between area residents and the police – and more importantly, between the residents themselves.

All Pembroke residents are invited to a meeting to discuss such a program on Tuesday, Jan. 14 at 7 p.m. at the Pembroke Fire Hall (200 International Dr.).
