Date: April 2, 2020

### **City Cancels 2020 Civic and Youth Awards**

The City of Pembroke is cancelling the 2020 edition of the Civic and Youth Awards due to the COVID-19 pandemic.

This annual program, which recognizes and celebrates leadership, personal civic commitment, and engagement in several aspects of the community, will return at a later time still to be determined.

“During this pandemic, the community’s focus needs to be on staying safe and healthy, and working to get through this unprecedented health issue,” says Coun. Christine Reavie, awards committee chair.

The committee thanks all the sponsors that had already come forward to support the program. Updates on the awards will be made available once they are decided.
