Kinsmen Pool will not open during Stage 2 of Provincial reopening

Kinsmen Pool will not be reopening to the public during Stage 2 of the Provincial reopening due to restrictive operating guidelines.

Last week, the Province announced indoor pools could reopen to the public as of June 12 as part of Stage 2 of its reopening process for Ontario. As different businesses and services are permitted to reopen, there are different guidelines and rules that need to be followed in order to ensure the safety of the public and of staff during the COVID-19 pandemic. Due to these rules, it is not yet feasible to reopen Kinsmen Pool.

The City will again analyze the options for the pool when Stage 3 is announced.

The splash pads at both Riverside and Rotary parks will reopen to the public on June 17.
