

Media Release

Date: September 9, 2021

Pembroke Diversity Advisory Committee Community Town Hall to Be Held October 6

The City of Pembroke's Diversity Advisory Committee will be hosting a community town hall on October 6, 2021 at 5:30 p.m. at the Riverwalk Amphitheatre at Pembroke's Waterfront Park to present the findings from the diversity, equity, and inclusion survey and roundtable that were held earlier in 2021. A question and answer session will follow the presentation.

Community stakeholders have been invited to attend and this event is open to the public. Space can be reserved online via [Eventbrite](#) or [pembroke.ca](#).

Attendees are welcome to view the public material provided by the committee online at [pembroke.ca](#) prior to the town hall. If attendees have questions in advance based on the materials, they are encouraged to email diversity@pembroke.ca before Wednesday, September 29 to ensure the fullest and most accurate details can be provided to them in an answer at the town hall.

A virtual option to watch the town hall will be made available and can be found closer to the event date on [pembroke.ca](#).

COVID-19 protocols will be in place. Attendees are reminded to check in at the main table upon arrival and that masks must be worn if you are seated within six feet/two metres of a person from outside your household.

The Diversity Advisory Committee looks forward to sharing this informative evening as it continues to work towards making Pembroke a more inclusive community for all.
