

City of Pembroke Media Release

Mary Street Bridge Closure

For Immediate Release – Friday October 15, 2021

Mary Street Bridge Closure

To facilitate bridge works, Mary Street between Mackay Street and Church Street will be closed to all traffic on Monday October 18th, 2021 between 7:30am and 3:30pm.

There will be no through traffic permitted across the Mary Street Bridge.

The City of Pembroke asks that drivers respect the posted construction signage at all times.

The travelling public is encouraged to use alternate routes.

You are reminded that the businesses within the construction and detour zone remain open for business and the many business owners would be happy to serve you.

We thank you for your patience as the City of Pembroke continues to improve our infrastructure.

The City of Pembroke regrets any inconvenience caused to residents and businesses.
