

## Media Release

---

Date: September 29, 2020

### **The Rapids Skate Park Closed Until Further Notice**

In conjunction with the Renfrew County and District Health Unit, The City of Pembroke has closed The Rapids Skate Park out of an abundance of caution until further notice as of 2:30 p.m. on September 29, 2020.

With positive COVID-19 cases rising in both Renfrew County and Ontario, as well as a lack of supervision now available at the park to ensure existing regulations can be properly followed, it has been closed for the health and safety of both those who utilize the park and the community as a whole.

This decision will be reevaluated in the future as circumstances and regulations dictate.
