This weekend at the Pembroke Marina, boaters will be able to launch their boats, fuel will be available for purchase, and boaters with slips can dock their boats, however, power is not yet available. Payment will be limited to credit and debit with no cash being accepted this weekend. Beginning on Tuesday, May 25, the Pembroke Marina will resume regular operating hours and services.

In accordance with provincial regulations, splash pads in the City and the Riverside Park Campground remain closed. Outdoor parks, trails and playgrounds remain open for safe use. In accordance with guidelines from the RCDHU, physical distancing of 2 meters must be maintained, and masks or face coverings should be worn if this is not possible.

In response to the provincial announcement, Mayor LeMay stated “we are thrilled to be able to open many of our municipal outdoor amenities in time for the Victoria Day long weekend. I encourage all residents to get outside and enjoy our amenities in a safe manner. While this is exciting and positive news, we must remember to remain vigilant by limiting outdoor gatherings to 5 people, wearing a mask when you can not social distance and staying home if you are sick. I hope all of our residents have a safe and enjoyable long weekend.”
