2026 CALENDAR

A functional calendar keeping
you up-to-date on activities in
Pembroke!

MAYOR'S MESSAGE

Dear Residents,

Active living is at the heart of a healthy and vibrant community. Here in the City of Pembroke, we take great pride in offering a wealth of recreational opportunities, from our scenic parks and trails to our welcoming facilities and year-round programs for all ages.

As you flip through this 2026 Recreation Calendar, I encourage you to take advantage of all that Pembroke has to offer, whether it's a stroll along the river, a game of tennis, skating with friends, or yoga in the park. Each activity is a chance to connect with others, enjoy the outdoors, and strengthen both body and mind.

Our recreation programs and projects are built in partnership with the community, helping bring people together, foster pride, and celebrate everything that makes Pembroke such a wonderful place to live.

Pembroke truly is the heart of the Ottawa Valley: A place where we can live, work, and play surrounded by natural beauty and a strong sense of community.

Sincerely,

Mayor Ron Gervais

DIRECTOR'S MESSAGE

Dear Residents,

As we turn the pages of a new year, I'm excited to welcome you to the City of Pembroke's 2026 Recreation Calendar, a creative new way to stay connected with our parks, programs, and community events all year long.

This year marks an exciting chapter for our community. Planning is underway for a new Trailhead Hub at the Pembroke Waterfront, featuring modern amenities, made possible through a grant from the Ontario Government.

This new space will serve as a gathering point for residents and visitors to enjoy Pembroke's beautiful waterfront and trail network. We are also proud to be entering Year Two of our 10-year Parks & Recreation Master Plan, continuing to make progress toward improving facilities, programs, and accessibility across our community.

Our team remains committed to offering inclusive and engaging opportunities for everyone. If there is something preventing you from participating in any of our programs or services, please do not hesitate to contact us.

We hope this calendar not only helps you stay organized but also inspires you to get out, get active, and make the most of every season in Pembroke.

Sincerely,

Jordan Durocher
Director of Parks & Recreation
